## **VIP LOUNGE:**

The Golden VIP is designed for 20 people, located at the front of the gallery with an excellent view above the stage.

Own toilet facilities are only accessible for this area. Of course there's a private entrance and a security which ensures that this area remains exclusively.

The VIP is specially for companies and individuals who want to be out of the crowd.

We're gladly to provide you with an individual offer.

For booking or any further informations please contact us.
